Residences

The 'high life' stands redefined at Lanco Hills. Architecturally perfect, the residential towers majestically reach for the sky. Each tower draws from an appealing colour palette with a spectrum finish. The judicious use of glass facades lends a stylish elegance while offering breath - taking views of the entire landscape.

The residences at Lanco Hills come alive in this iconic heaven with everything within reach. Wi-Fi connectivity keeps you connected with the world. High-speed elevators and extensive fire safety measures complete the conveniences. Underground car parking, designated path ways and sub-way access systems ensures that commuting at Lanco Hills is a pleasant experience. An array of other facilities like a super market, poly clinic, music stores, travel desk, e-seva, pet clinic and many more to be listed.

A result of meticulous detailing by the world's most renowned architects RSP - Singapore and Internationally acclaimed landscaping specialist, Belt Collins - Hong Kong.

Unique living spaces

The residences at Lanco Hills offer a choice of two exclusive plans of three bedroom apartments. Each plan is a unique blend of style, comfort and aesthetics. The huge, wide windows usher in the feeling of the great outdoors inside the homes and offer spectacular views. Enjoy yourself in the sheer luxury of space as a step into the entrance foyer. Attention to detail, wooden flooring and an array of amenities are integrated into the living spaces making everyday living a pleasure.

The apartments are well - appointed with an elegant foyer, which spreads out to the living room. A walk around presents stunning views through the huge open windows, which also allows maximum natural light, making your home airy and ambient. With only 4 apartments on every floor, you can be rest assured that your privacy is respected to the utmost.

Landscaping

The landscaping at Lanco Hills takes into consideration a very vital factor in contemporary urban living-tranquility. The entire landscape achieves a perfect balance between living spaces and nature. The landscaping is the creation of one of the world's most renowned landscaping experts-Belt Collins, Hong Kong. The greenery covers an amazing 70% of the entire property reflecting a unique balance of manicured and natural landscapes interwoven with appealing waterscapes. The great outdoors surround living and working spaces with welcoming bursts of flora.

It's a world that respects your sense of aesthetics and enables a life in the very lap of nature.
