TATA HOUSING

Living Perfected

Established in 1984, Tata Housing is a closely held public limited company and a subsidiary of Tata Sons Limited.

Tata Housing has evolved into one of the fastest growing real estate development company in India. The company is recognised for its quality construction, ethical and transparent business practices and high standards of maintenance of its properties. Tata Housing has pioneered the concept of property development by corporates in India.

Tata Housing has partnered with internationally acclaimed architects and design consultants, and its projects are built to high quality specifications instantly making them landmarks. Quality has become synonymous with TATA Housing. Today, Tata Housing enjoys the unique position of having large in-city real estate properties in major metros and mini metros. Further, the company enjoys the virtue of having huge land banks in Mumbai, Ahmedabad, Bangalore, Gurgaon, Chandigarh, and Kolkata and is presently acquiring large land parcels across the country. As a comprehensive real estate developer of choice, Tata Housing straddles across all consumer segments.

Tata Housing has made a serious commitment to the environment by developing by certified green buildings, thus saving energy for the country and keeping the world a greener place. The company has also ventured into foreign markets such as Maldives and is actively considering markets such as Sri Lanka, and other South Asian countries.

Tata Housing has also received various industry recognitions both in India and internationally.
